

The 2019 (35th) International Prize for Biology

Calling for Nominations

This year's research field: **Biology of Insects**

Please access to: <http://www.jsps.go.jp/english/e-biol>

Deadline: April 19, 2019

- The International Prize for Biology was established in 1985 to commemorate the 60-year reign of Emperor Showa and his longtime devotion to biological research.
- The Prize is awarded each year to an individual who has made an outstanding contribution to the advancement of basic research in a field of biology.
- The Prize shall consist of a medal and a prize of 10 million yen.
