

# *The 2017 (33rd) International Prize for Biology*

**Calling for Nominations**

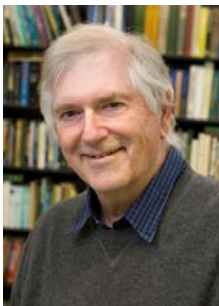

This year's research field: **Marine Biology**

Please access to: <http://www.jsps.go.jp/english/e-biol>

Deadline: April 21, 2017

- The International Prize for Biology was established in 1985 to commemorate the 60-year reign of Emperor Showa and his longtime devotion to biological research.
- The Prize is awarded each year to an individual who has made an outstanding contribution to the advancement of basic research in a field of biology.
- The Prize shall consist of a medal and a prize of 10 million yen.
